SYNOPSIS

- **A Survey for Students Feedback was conducted by IQAC for session 2023 - 2024.**

- **1009 Students were asked to rate their Teacher's performance based on Fifteen components of the Teaching Learning process on a Six Point Scale ranging from Dissatisfied to Outstanding.**

- **Performance of Total 52 Teachers was analysed. Feedback for 24 Teachers could not be assessed owing to small Sample size.**

- **Out of 30 teachers appraised, 15 achieved Excellent in majority of the components of Teaching Learning process evaluated. The rest fared Very Good.**

Blanket Suggestions

(Declining in influence)

1. **A training program / workshop on intricacies of online classes and designing quality E - content will prove highly beneficial in driving Teaching Learning Environment towards Excellence.**

2. **Amiable and Robust relationship with the Teacher exponentially enhances the productivity of the Students.**

3. **Reckoning the Learning outcomes of the Program and the course while planning and teaching optimizes the impact.**

Thank You
